ARTEA.COM SRL

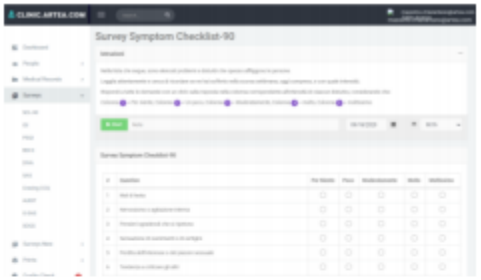
Artificial Intelligence
for **e**nterprise **a**pplication

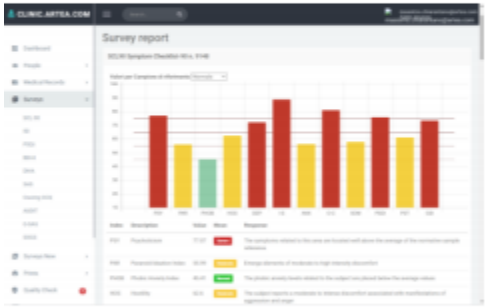
ASSOLOMBARDA
Filiera Life Sciences

artea.com

Since 2018, we deliver **AI solutions** for the public and private sector, in the service industry (healthcare, finance and insurance) as well as in manufacturing (automotive and transport).

Our **distributed platform as a service** (PaaS) is a delivery environment in the Cloud designed to facilitate integration of AI applications within an enterprise.





HealthCare Assistant

With HCA we introduce **ML**, Machine Learning technology in healthcare. Our webapp is accessible on any device and is fully customizable, in terms of workflows, clinical scales, ad-hoc services.

Main features include:

- Medical records in Cloud
- Modular and AI-ready
- GDPR compliant
- Multi-clinic and scalable
