

Studio Professionale Associato a Baker & McKenzie *legal assistance*

Baker McKenzie is one of the largest international firms (77 offices , from Shanghai to Johannesburg, from Sao Paulo to Munich, from Warsaw to Chicago, from Tokyo to Mexico City, and throughout the world).

*In Italy we started in 1962. The Italian offices (Milan and Rome) have more than 140 professionals. We are proud of our cross practice **Automotive Industry Focus** team. Our practice spans across Corporate/M&A, Tax and Labour matters and many others (we assist companies in in Antitrust & Competition, Banking & Finance, Dispute Resolution, Energy, Mining & Infrastructure, Environmental matters, Intellectual Property, International Commercial & Trade, IT/Communications, Private Equity, Real Estate, Technology, Media & Telecommunications and so forth).*

Examples of what we do for domestic and international companies:

Joint ventures. *We have extensive experience in structuring and negotiating joint ventures.*

Managing an international workforce. *Hiring employees in different jurisdictions. Moving employees to offices and plants around the world. Restructuring plants, when necessary.*

Sales. *We assist companies to set up a distribution and prepare agency, distribution and other agreements.*

Trade mark/design protection and enforcement. *Technology related IP transactional work (licensing, technology transfer, IP driven restructuring), with special focus on the area of trade secrets/know-how protection and confidential business information management.*
