### O MARE

<http://wecrosstheline.tv/film/o-mare>

We name them the Vikings, their life is regulated by the sea, the fishing and "Him". With white beard, hands used by work and eyes blinded by the sun, they sail. Every wave is a poem, the Stromboli keeps an eye on them, the sea is sometimes reluctantly perilous.

### LA7 FOR GRANAPADANO

<http://wecrosstheline.tv/studio/grana-padano>

Co-produced with Monkeytalkie, through territory, manufactures and consortia, three short documentaries retrace the production processes of the Italian dop cheese.
