No. of Employees	40
<i>Offer No.</i>	82825
Summary of offer	Import: Laundry machines, industrial washing and dryer machines, ironers

Description of Offer

Our company, founded in 1967, specializes in the import of industrial and self-service laundry equipment. The company represents leading global producers in the field in Israel. It also owns and runs numerous laundries of all sizes across the country.

As a leader in the field, we have been instrumental in creating new professional standards and implementing state of the art work methods to provide highest quality customer and maintenance services. All company activities comply with the ISO 9001:2000 Standard.

Our self-owned premises in the new Park Afek Industrial Zone in Rosh Ha'Ayin covers an area of 1,400 square meters and houses the company's head office, workshops and

warehouse facilities. It has 40 full-time employees, 20 of whom are machine service technicians.

Our company offers a range of products required in the laundry industry, of any type or size. These include self-service (laundromat) and industrial washing machines, laundry dryers, irons presses, ironers, and dry-cleaning equipment.

The company also offers its customers a choice of several payment methods for the purchase or use of its products and services, including hiring, leasing, trade-ins and installment plans, and is willing to consider customized payment methods to meet individual customers' needs.

Our customers' requirements and customers' satisfaction are our main concern and serve as a guideline for all our business activities. Our service-oriented employees, computerized service systems, large and updated spare parts warehouse, vehicles equipped with sophisticated communication systems and well-trained and experienced technicians ensure the highest level of fast and efficient quality service, guaranteeing proper and uninterrupted functioning of our customers' equipment.

Potential Partners	Manufacturers of industrial laundry machines, industrial washing and dryer machines, ironers.
Target Countries	All countries.
