

An aerial night-time photograph of the Expo 2020 Dubai site. The image shows a large, illuminated architectural complex with a central circular area and surrounding hexagonal structures. A prominent yellow and blue structure is visible in the lower center. The background features a city skyline with lights and a large green structure on the right.

EXPO 2020 DUBAI UNITED ARAB EMIRATES

20 OCTOBER 2020 – 10 APRIL 2021

Connecting minds, creating the future.

An aerial night-time photograph of the Expo 2020 Dubai site. The image shows a large, illuminated architectural structure with a complex, geometric, and crystalline design. The structure is surrounded by a network of roads and pathways, some of which are also lit up. The overall scene is a vibrant display of modern architecture and urban planning.

THE WORLD EXPO

THE WORLD EXPO

THE WORLD EXPO

A Golden Era of World Expo's

WHY ARE WE HOSTING

Expo 2020 Dubai will engage with the international community to seek collective solutions to global challenges of Opportunity, Mobility and Sustainability.

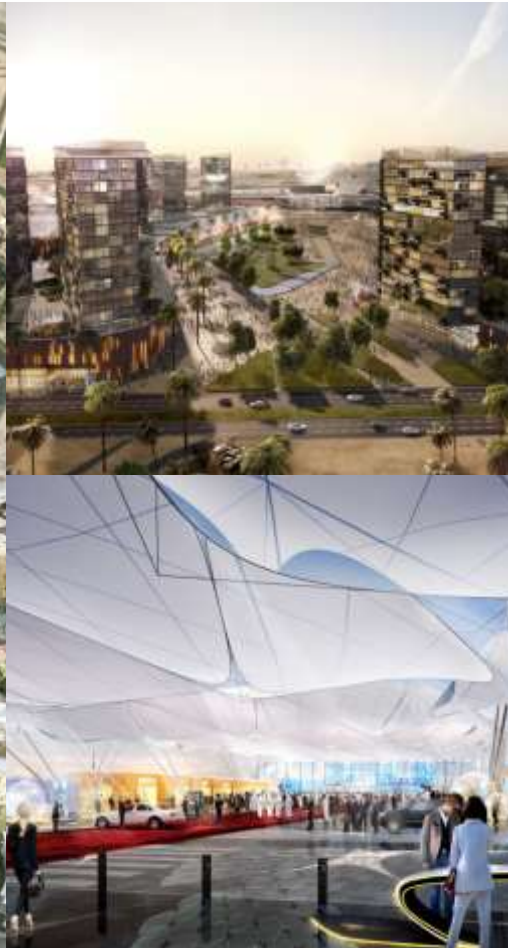

When human beings have the courage and commitment to transform a dream into reality, there is nothing that can stop them.

HH SHEIKH MOHAMMED BIN RASHID AL MAKTOUM
UAE VICE PRESIDENT, PRIME MINISTER AND RULER OF DUBAI

An aerial night-time photograph of the Expo 2020 Dubai site. The image shows a large, illuminated architectural structure with a complex, geometric, and perforated facade. To the right, a long, curved, brightly lit walkway or bridge spans a body of water. The surrounding area includes various other buildings, some with blue and green lighting, and a large, dark, circular feature in the foreground. The overall scene is a vibrant display of modern architecture and urban planning.

AN EXCEPTIONAL EVENT

DUBAI EXPO 2020

The Site

The master plan has been conceived as a spatial manifestation of the theme connecting minds, creating the future and three sub-themes **Opportunity**, **Mobility** and **Sustainability**.

LOCATION

3 international airports serve the Expo audience. Dubai's airports are currently the largest and busiest in the world.

DUBAI EXPO 2020

The Site

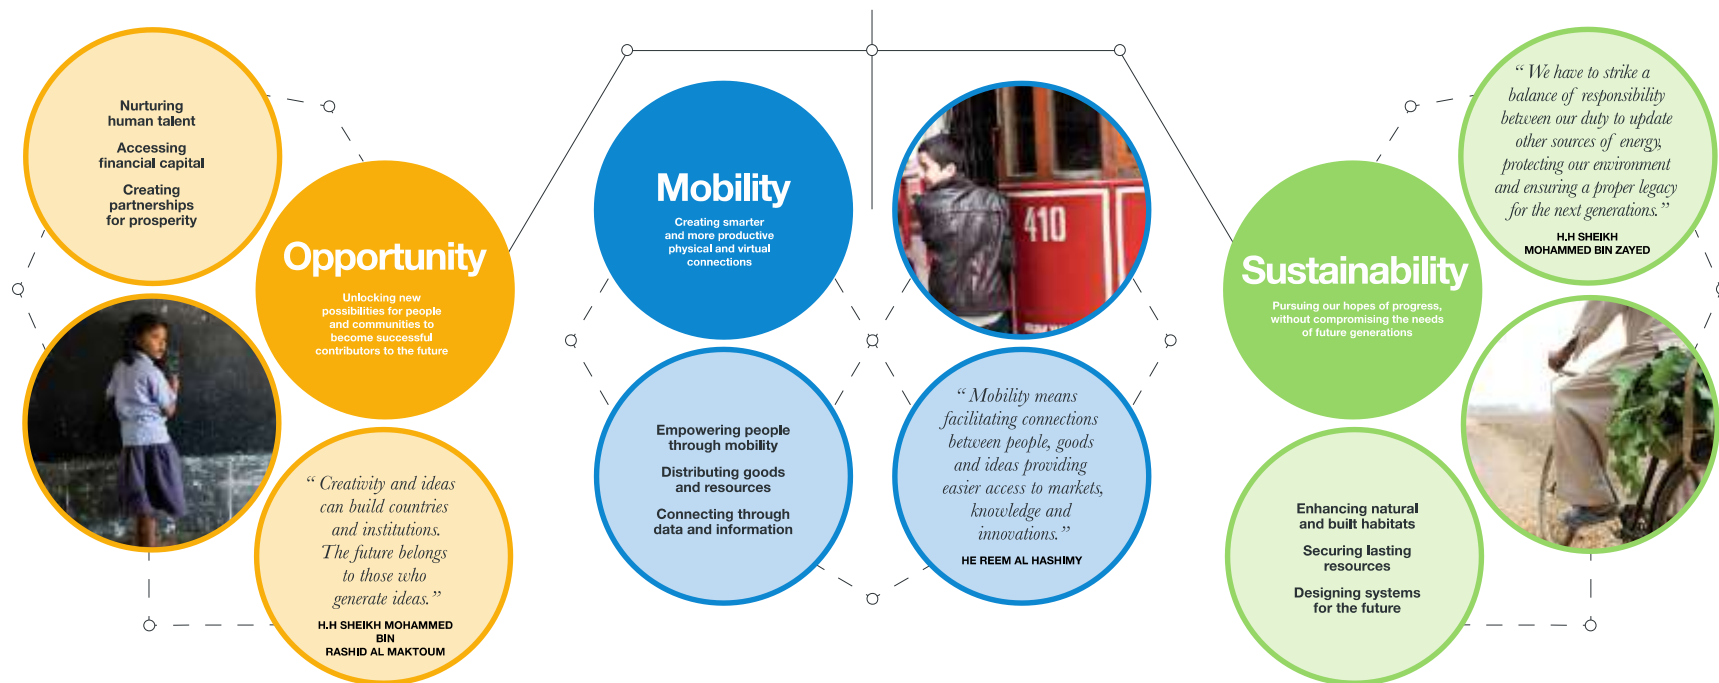

The structure and organisation of the site will articulate the themes of Opportunity, Mobility and Sustainability

DUBAI EXPO 2020: Connecting Minds, Creating the Future

3 SUB THEMES

DUBAI EXPO 2020

Place Making

25 million
visits
over the

6 month
long
Expo period

EXPO PARTICIPANTS

For the first time in Expo history, more than 70% of visitors will be international, originating from outside the host country.

70% of visitors will be international

An aerial photograph of the Expo 2020 Dubai site. The image shows a large, modern architectural complex with a central, brightly lit pool area. The surrounding area is filled with various structures, including a large, curved, blue-roofed building and a large, circular, blue-roofed building. The overall scene is a mix of modern architecture and natural elements like trees and water.

Innovation

DUBAI EXPO 2020

Economic Viability of Site

An aerial, high-angle view of the Expo 2020 Dubai site. The image shows a large, complex urban development with numerous buildings featuring unique, angular, and hexagonal roof designs. A central feature is a large, irregularly shaped pool or water feature with a bright blue center and yellow-orange borders. The surrounding area is paved with light-colored tiles, and there are various green spaces and pathways. The overall aesthetic is futuristic and modern.
