(Product description)

Planeat.eco is Alimentiamoci's operational project and deals with the online sale, to individuals, of ready-to-cook or ready-to-cook food products. It's the evolution of the **meal-kit model**.

Through the brand "**Planeat Aziende**" we offer the supply of canteens (internal or catering) for companies and public or private entities. The ideal service for companies (**tax-free**) and employees (**benefits**).
