Product description

We have activities in the following areas in Italy:

Animal feed production and sales and animal feed consulting services.

We produce innovative, transformative, sustainable solutions for the animal production industry. Our species:

Beef/Companion Animals/Dairy/Equine /Poultry/Swine

Cargill Starches, Sweeteners & Texturizers Europe

We develop and commercialize sustainable ingredients, made from renewable and nature-derived sources. We combine our core capabilities with our extensive ingredient portfolio of starches, sweeteners, lecithins, vegetable proteins, seaweeds & fruit extracts (for example pectin) and health promoting ingredients.

Grain and oilseed trading

We buy, process and distribute grain, oilseeds and other commodities to manufacturers of food and animal nutrition products. We also provide services and solutions for risk management.
