Product description

E-Invoicing B2B

The Italian regulation "Legge di Bilancio 2018" has decided to make B2B e-invoicing mandatory since **1 January 2019** for all private companies. Faber System has the skills to manage the whole e-invoicing process according to customers' needs.

Legal Conservation

Legal Conservation of fiscal documents to **eliminate the need to print or archive paper documents maintaining their fiscal value**. Today we preserve for our customers more than 1.000.000.000 documents.
