

Studio Congressi S.r.l. established in 2002, is a company specialized in organizing conferences and training courses for medical doctors.

Studio Congressi S.r.l. can assist its clients in organizing any kind of event in a very professional way thanks to its experience and willingness to innovate and improve organizational processes.

Studio Congressi S.r.l. can keep up with the market requirements, while offering a wide range of high-quality services. We will be your reliable partner and we will support you in planning your event and fulfilling your needs.

Med Tech Science S.r.l. (CME National Provider nr. 752), supports **Studio Congressi s.r.l.** in the organization, development and implementation of the yearly **Training Program**.

Our CME Training Courses, aimed at physicians and health professionals, are usually organized as **national "On-Site Events"** but thanks to our new **WEB PLATFORM**, we can also offer high-quality **"Distance Learning Courses" (FAD)**, at both National and International level.

V.le della Libertà, 17 – 27100 Pavia
