

### **Who we are**

Our mission is to provide sales assistance and support in outsourcing.

Our target are Italian companies who wish to increase their presence on the territory and abroad, those who are completely new to export activities, as well as companies with a more structured organisation, as a back-up in moments of need or for specific project management.

We cooperate with a team of experienced professionals in all areas complementary to sales i.e. marketing, sales promotion, training and operations.

We are fluent in different languages
