

Your Digital Partner

## SIDI S.p.A.

*Your Digital Partner*

ASSOLOMBARDA  
Confindustria Milano Monza e Brianza  
Automotive Network

### *Who we are:*

Established in 1980 we are a privately held family company based on four sites: Milano, Padova, Imola, Roma. As a System Integrator we support companies in their innovation process, enabling them to compete more successfully in the market and to pursue their goals with solutions in line with the leading edge market trends. In 1997 We have chosen SAP as the main platform to enable change. With SAP we drive companies towards Digital Transformation, growth and success.
