Who we are

Moto-Go is an innovative startup based in Milan.

It was born in 2018 with the aim of creating a service that, through a proprietary algorithm, allows to compose completely customized itineraries, on the needs, preferences and necessity of each individual user.

In 2020 Moto-Go has also started developing on behalf of third parties.

RIDE OUT

Product description

Ride-Out is the first product of Moto-Go.

It is a mobile application designed specifically for motorcyclists.

Its purpose is to create a service that meets all the motorcyclist's needs, from the creation of a custom itinerary, to the suggestion of places where he can rest, eat or sleep during his ride.
