

UGO PNP SRL

With you and with your family

Who we are

UGO is a start up founded in Milan in 2015.

UGO works actually in Milan, Genoa and Turin both in the cities and in the hinterland.

UGO increases safety and autonomy inside and outside the medical structure.

Service description

UGO is a personal caregiver who assists the patient through the whole therapeutic cycle session or a medical check.

UGO can be required using traditional ways such as calling a phone number or email.

At the same time UGO get a look to the future: users can easily book the service using the mobile app, giving the opportunity to have a personal assistant just few clicks far from you.
