Joint Italian Arab Chamber

The Joint Italian Arab Chamber (JIAC) was created in September 2015 under the supervision of numerous prominent representatives of the Italian industry, the banking system and public institutions, with the precious support of the most important Arab business groups and major Arab institutions such as the Arab League, the Union of the Arab Chambers of Commerce and the Arab Embassies in Rome.

The JIAC is an inclusive, non-profit and fully bilateral association

Objective: becoming the meeting point between Italian and Arab companies

JIAC: What Countries?

Algeria
