

**SINOPEC** **EPEC.COM**  
Sinopec E-commerce Links to the World

The Italy China Chamber of Commerce is glad to invite you to the following event:

## **Procurement System Workshop: opportunity to enter China and global markets through EPEC.com – SINOPEC E-Commerce platform**

Date: **June 20th**

Time: **13:30 - 18:00**

Venue: **DLA Piper Studio Legale Tributario**

Address: **Via della Posta 7, Milano**

Want to engage with one of the world's largest integrated energy and chemical companies? Don't miss the chance to meet Executives from one of the worldwide leader in energy and chemical industry.

This event will give you the opportunity to find out more about the projects that Sinopec is currently working on, to learn about its **procurement system and the opportunities for the supply chain in China and International markets**, and how to expand your business opportunities in China through its **international online marketplace platform (EPEC)**.

**EPEC.com** is an **E-commerce platform** - <https://global.epec.com/portal> - that facilitates **SC2B (supply chain to businesses)** transactions of **industrial products** and is supported by Sinopec's extensive industrial resources and supply chain services. An invaluable resource for Sinopec and other international buyers in finding the right goods and services.

Meet Executives from SINOPEC & EPEC.com in order to:

- enter SINOPEC platform
- penetrate global market through EPEC.com platform
- **One-to-one appointments** will also be available. If you want to apply, please specify it in the application form (link below)

### **ATTENDEES TARGET:**

- **Italian industry association**, based on product categories listed on Epec platform (<https://global.epec.com/portal>)
- Manufacturers of equipment and **electric instrument in the energy sector** want to expand business in China

- Technology companies in **conventional energy** or **clean energy sectors** want to expand business in China
- Companies want to expand sourcing channels especially for **industrial products** in China and the global markets
- Suppliers of **other Italian products** which want to expand channels in Chinese market (e.g. kitchenware, cosmetics, household appliances, etc.)

Event Program Draft:

**13:30 - Registration**

**14:00 - Welcoming Speech**

**14:10 - Sinopec Introduction, Procurement System & Projects Opportunities**
