

SACE meets SHARJAH

*Discovering new business
opportunities in the UAE*

Thursday 11 April 2pm
Via San Marco 21/a
Milano

Sharjah's Government Authorities and SEWA (Sharjah Electricity and Water Authority) are visiting Italy to expand their portfolio of Italian suppliers. With the aim of facilitating the assignment of new orders to Italian exporters, SACE is pleased to organize a presentation of Sharjah's investment plan including the deployment of new projects in the Infrastructure, Waste and Water treatment, Renewables, and Energy sectors.

SACE invites you to join the event and meet Sharjah's Senior Representatives to explore and engage in new business opportunities.
