WORLD FUTURE ENERGY SUMMIT 2016 FACTS & FIGURES

POWERING THE FUTURE OF ENERGY

For nearly a decade the World Future Energy Summit has built a solid reputation as the Middle East and North Africa (MENA) region's most influential annual event dedicated to advancing future energy, energy efficiency and clean technology. WFES is where government leaders, thought leaders, entrepreneurs, policymakers and thousands of visitors come together to uncover the latest advances in future energy.

GENERATION

"There has never been a greater opportunity to make real progress towards sustainable development and to create an economic potential that could drive sustained growth for future generations. Let us start here at ADSW to build bridges between governments and business and create durable partnerships. Let us be brave, bold and ambitious and use this week to maintain the momentum and capitalise on this historic opportunity to lift the global economy and shape a practical pathway towards a sustainable future."

- Dr Sultan Al Jaber, Minister of State UAE, and Chairman of Masdar
speaking at the 2016 ADSW Opening Ceremony

BRINGING TOGETHER WORLD LEADERS IN SUSTAINABILITY

ABU DHABI SUSTAINABILITY WEEK OPENING CEREMONY

The official opening ceremony initiated four days of discussion and collaboration between policymakers, investors and thought leaders. It also recognised ground-breaking achievements in sustainability with the Zayed Future Energy Award, a prize which has impacted 200 million people globally by giving them access to clean energy, and safe water and food.

Attended by 3,500 high-profile delegates and government officials, and addressed by

H.E. Enrique Pena Nieto
The President of
the United Mexican States

H.E. Ban Ki-moon
United Nations
Secretary-General

H.E. Dr. Sultan Ahmed Al Jaber
Minister of State, UAE
and Chairman of Masdar

"Now is the time for action. Governments, the private sector, regional and international organisations must start working to implement the 17 ambitious global goals. We need to urgently scale up clean sustainable energy."

- H.E. Ban Ki-moon, the United Nations' Secretary-General

ABU DHABI GLOBAL ACTION DAY

Following the ceremony, Abu Dhabi Global Action Day aimed to turn the ambitious goals of COP 21, the Paris Climate Agreement and the 2030 Agenda for Sustainable Development into innovative, yet practical policy, investment and technology solutions and partnerships.

EXPERT SPEAKERS INCLUDED

H.E. Abdelilah Benkirane
Head of Government, Kingdom of Morocco

H.E. Salaheddine Mezour
Minister of Foreign Affairs, Kingdom of Morocco

H.E. Eng. Suhail Mohamed Faraj Al Mazrouei
Minister of Energy, UAE

Ms. Marie-Jose Nadeau
Chair, World Energy Council (WEC)

Mr. Thorsten Herdan
Director General for Energy, Ministry of Economic Affairs and Energy,
Federal Republic of Germany

H.E. Laurent Fabius
Minister of Foreign Affairs and International Development,
The French Republic

Ms. Christiana Figueres
Executive Secretary, United Nations Framework Convention on
Climate Change (UNFCCC)

MORE FEATURES MORE INSIGHT

The 2016 edition enabled project and technology specialists from around the world to reach new audiences, seek out new investors and start new conversations.

WFES LAUNCHED TWO NEW EXHIBITIONS IN 2016

SOLAR EXPO A WORLD FUTURE ENERGY SUMMIT EVENT

Advancing solar energy solutions by bringing together specialists and showcasing the latest innovations for uptake in the MENA region.

SUSTAINABLE TRANSPORT A WORLD FUTURE ENERGY SUMMIT EVENT

Advancing the future of transport by offering access to new technology, products and future concepts.

ENGAGING SESSIONS AT WFES

ENERGY EFFICIENCY TECHTALK

A dedicated forum facilitating technology networking at WFES, exhibitors and participants attended over 40 expert presentations and debated the latest technologies, opportunities and projects driving progress in the energy efficiency sector.

SOLAR EXPO THEATRE

The Solar Expo Theatre brought together project specialists, developers, entrepreneurs, investors, exhibitors and solution providers. They used the theatre to discuss solar project case studies, products and new business ideas.

**NEW FOR
2017**

ENERGY EFFICIENCY EXPO A WORLD FUTURE ENERGY SUMMIT EVENT

Energy Efficiency Expo, hosted by Masdar and held in partnership with the Urban Planning Council of Abu Dhabi, Emirates Green Building Council and Clean Energy Business Council, will address the challenges and opportunities of reduced energy consumption and improved efficiency in buildings.

"WFES is a great place to catch up with the local power companies, with the local and regional utilities, but also with international companies who come here to see what's happening in Abu Dhabi."

- Thristian Thiel, CEO Energy Nest

DRIVING THE UPTAKE OF CLEAN ENERGY INNOVATION

WORLD FUTURE ENERGY SUMMIT CONFERENCES

The WFES 2016 conferences brought together 125 global industry leaders to share their thinking, insights and international best practice. Over 1,000 delegates joined sessions to expand their knowledge and strengthen cross-border partnerships. Sessions covered topics around:

- Energy trends and economic outlook
- Investment marketing opportunities
- The next phase of renewable energy
- Sustainability's role in 'big' business, supply chain perspectives

THE FUTURE CITIES FORUM

A WORLD FUTURE ENERGY SUMMIT EVENT

A new 1-day conference, The Future Cities Forum - hosting the Habitat III Sustainable Energy

Thematic Meeting - focused on the long-term future of city living, addressing the complex challenges of extreme urbanization to help create sustainable, resource efficient, modern living environments.

EGYPT ENERGY FORUM

A WORLD FUTURE ENERGY SUMMIT EVENT

A conference designed to provide attendees with an update on the envisaged progress of Egypt's energy sector over the next 10 years, and outline the resulting opportunities - with particular focus on the solar, wind, gas and water markets.

BUSINESS CONNECT

Take advantage of Business Connect, a tailored networking programme designed to bring buyers and sellers together to do business at WFES.

WHAT IS BUSINESS CONNECT?

- A pre-event networking platform as well as an onsite business match-making service
- A programme that carefully matches & brings together key decision makers & suppliers
- A platform for cross-sector partnership, bringing together public & private sectors
- A tool for exhibitors & visitors to generate new sales or supplier leads
- A dedicated team onsite during Abu Dhabi Sustainability Week scheduling your meetings for you

BUSINESS CONNECT BRINGS ELITE BUYERS TO WFES

Representing both the private and public sectors, carefully selected key decision makers (Elite Buyers) are hosted by the Business Connect programme during Abu Dhabi Sustainability Week, with the guarantee of attending pre-arranged meetings with WFES exhibiting companies and generating new business.
