Why Malaysia?

Malaysia has many unique advantages which are particularly suited to Italian companies and the “Italian way” of doing business:

- A stable political environment
- A government that is supportive of business to grow
- A favourable tax system
- Sound banking system
- Respect for intellectual property rights
- Highly committed and skilled work staff
- A long-lasting, historically and excellent relationship with Italy
- Excellent infrastructure and great connectivity (Airport, Highways, etc.)
- No natural disasters
- High quality of life and a beautiful scenery; Malaysia is called “The Garden City”
