ECSEL Italy Mirror Group

Giancarlo Forlanini

ECSEL as a game changer

Cover the full chain

Combine European, national and **regional** support with private funds

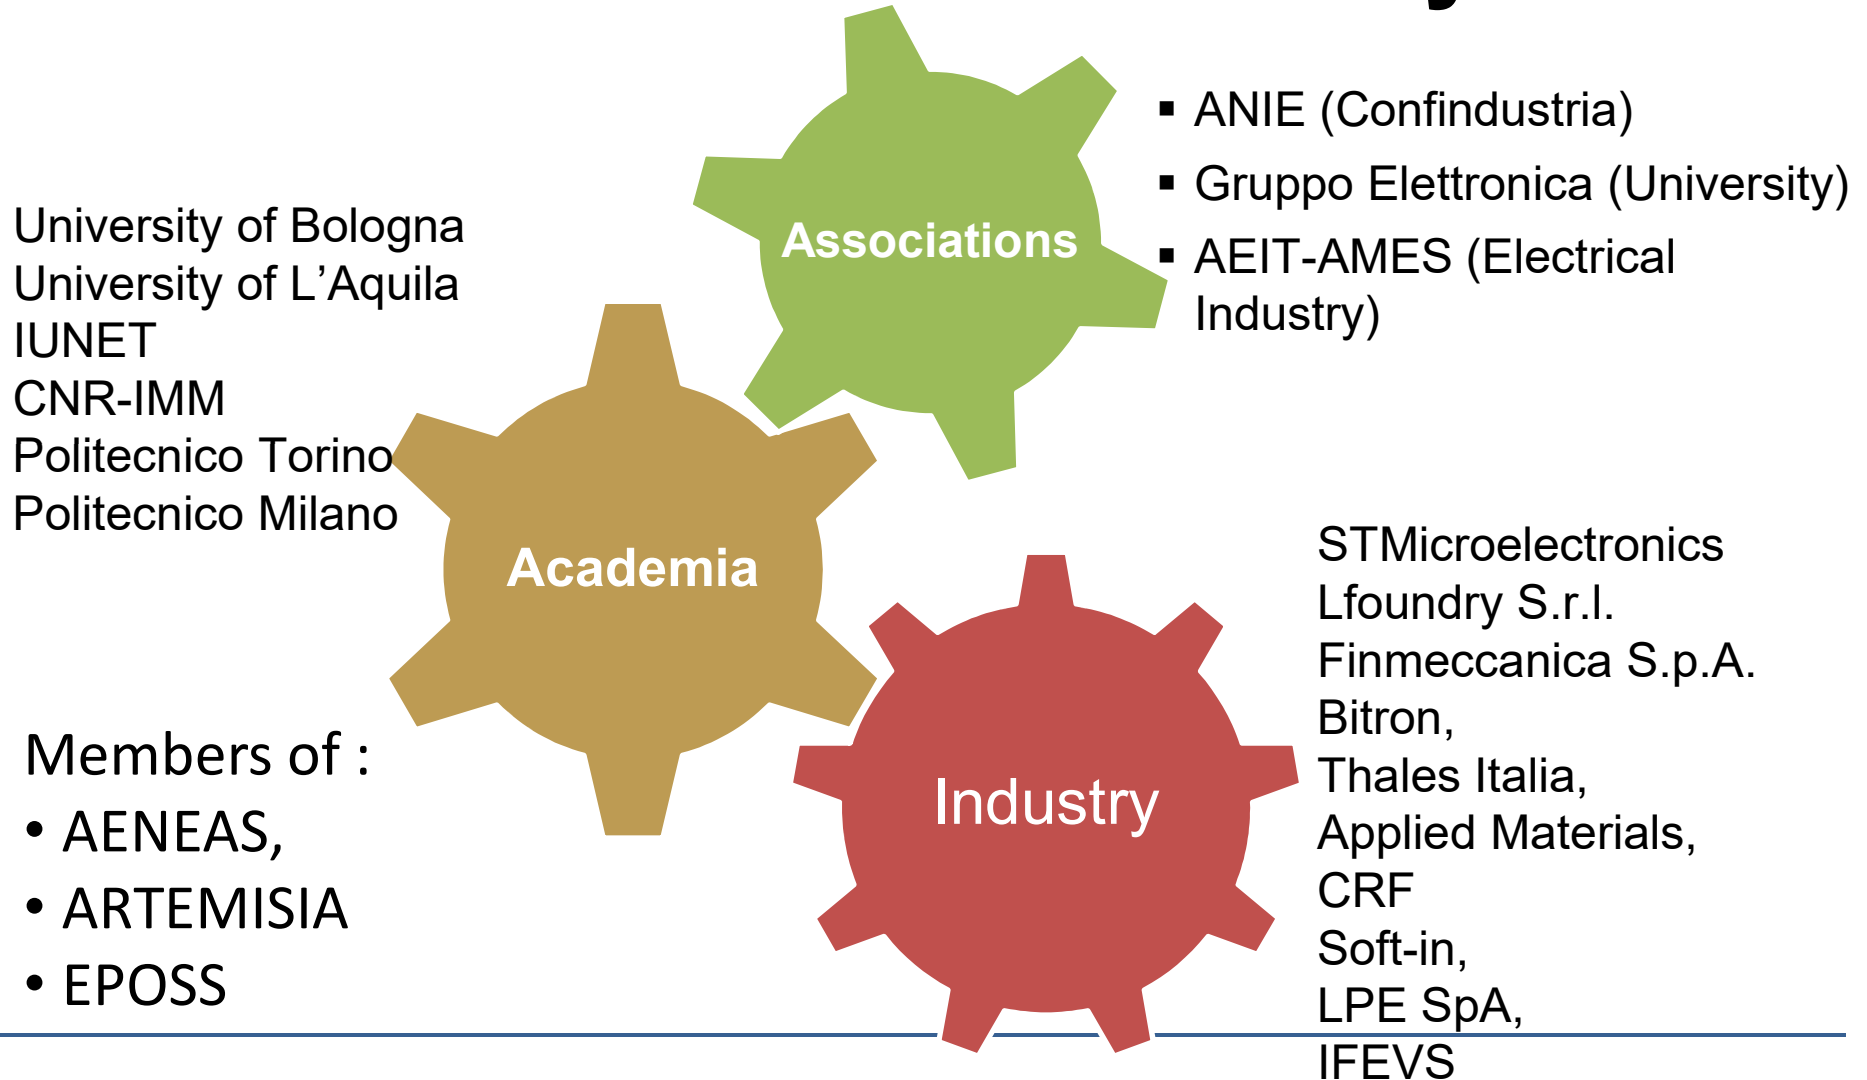

“ECSEL Italia” Mirror Group

Following the example of ECSEL Mirror Groups in Austria and Germany:

- To facilitate / coordinate the participation of Italian industrial and academic research organizations to the Joint Technology Initiative ECSEL.
- To promote the financial and administrative support to ECSEL by Italian Ministries and Regional authorities.
- To become an Italian interface towards other similar European initiatives and especially PPP's.

Stake Holders in Italy

Ambitions

Fostering “System view” in Italy:

- Networking and collaboration
 - Large industry, SME, Research
